GOVERNMENT OF INDIA
HEAVY INDUSTRIES AND PUBLIC ENTERPRISES
LOK SABHA

UNSTARRED QUESTION NO:2581
ANSWERED ON:15.12.2015
Revival of Japla Cement Factory
Ram Shri Vishnu Dayal

Will the Minister of HEAVY INDUSTRIES AND PUBLIC ENTERPRISES be pleased to state:

(a) the details of the cement factories functioning in the country, State-wise and location-wise;
(b) the number of sick cement factories and the measures taken by the Government to revive them; (c) whether the Government has any proposal to revive the closed Japla Cement factory in Jharkhand and
(d) if so, the details thereof?

Answer

MINISTER OF STATE IN THE MINISTRY OF HEAVY INDUSTRIES AND PUBLIC ENTERPRISES (SHRI G.M. SIDDESHWARA)

(a): Details of cement plants/factories presently functional in the countries as provided by Department of Industrial Policy and Promotion (DIPP) is enclosed as Annexure-I.

(b): Department of Industrial Policy and Promotion has intimated that cement industries has been decontrolled in 1989 and de-licensed in 1991under the policy of liberalization and, hence, the Department does not take any action to revive sick cement industries. Further, Ministry of Finance/Department of Financial Services has informed that certain measures like financial re-construction, change in management of sick company, amalgamation with other company, sale or lease of part of or whole of sick company etc. are recommended by Board for Industrial and Financial Reconstruction (BIFR). A list of sick cement plants registered and pending with BIFR with their current status (State-wise) is attached as per Annexure-II.

So far as Cement Corporation of India(CCI), a Central Public Sector Enterprise under Department of Heavy Industry is concerned, it is a BIFR referred sick company having Corporate office in Delhi. It has following operating and non operating units:

Operating Units
1. Bokajan, Distt. Karbi Anglong, Assam
2. Rajban, Distt. Sirmour, Himachal Pradesh
3. Tandur, Distt. Rangareddy, Telangana.

â€¦â€¦2/-

Non-operating units
1. Mandhar, District Raipur, Chhattisgarh
2. Akaltara, District Champa, Chhattisgarh
3. Nayagaon/Nayagaon Expansion, District Neemuch, Madhya Pradesh
4. Kurkunta, District Gulbarga, Karnataka
5. Charkhi Dadri, District Bhiwani, Haryana
6. Adilabad, District Adilabad, Telangana.
7. Delhi Grinding Unit, Delhi

The Revival Scheme of CCI, as approved by the Government and ordered by BIFR, envisages expansion/ modernisation of 3 operating units and closure and sale of 7 non-operating units along with implementation of VSS in the same. Out of 7 non-operating units, 6 units have been closed w.e.f October, 2008 and employees of these units were separated under VSS. The Adilabad unit could not be closed due to interim order of the Hon'ble High Court of Andhra Pradesh for maintaining status-quo. Action for expansion/ modernization of the operating units was taken. However, the results of the entire scheme for revival of CCI could not reach the desired level because of non-sale of the assets of non-operating units of the company, which has caused a shortage of funds for the revival. BIFR has directed for an entire new Modified Draft Revival Scheme (MDRS).

(c) & (d): Ministry of Finance/ Department of Financial Services has intimated that no company by the name of M/s Japla Cement Factory has been registered as a sick company in BIFR.

ANNEXURE-I
State wise details of Cement plants in the Country

1. Andhra Pradesh 1 Malabar Cement
1. CCI, Adilabad 2. Malabar Cement (G)
2. CCI, Tandur
3. ACC Cements, Vizag 5. Tamil Nadu
4. India Cements, Yarraguntla 1. Chettinad Cement-Ariyalur
5. India Cements, Vellur 2. Chettinad Cement-Karikali
6. IndiaCements, Chillamkur 3. Chettinad Cement-puliyour
7. J.P.Balaji Cements 4. Dalmia Cement (B) Ltd, Ariyalur
